

# EVERGREEN PACKAGING

Pine Bluff, Arkansas

## About the Company:

EVERGREEN PACKAGING is an international corporation.

*“Operations began at the Pine Bluff Mill in 1958. It is located on over 5000 acres with access to the Arkansas River, rail and truck. Employing approximately 1000 people, the mill is the largest industrial employer in Jefferson County.*

*Pine Bluff houses the world’s largest gable-top liquid packaging paperboard machine. A variety of commercial products are made on second paper machine, including paper for magazines, newspaper inserts and catalogs.”*
