

AMI Information for CTE Teachers

From DCTE and ARESC

AMI CTE Resources

We are working to help provide a collection of AMI resources for all of our occupational areas.

Please use this link to access these resources:

Links for CTE resources will be shared from ARESC CTE Coordinator, Kelli Cypert, to ARESC CTE instructors via email. The Google folder links will contain lesson plans and resources developed/compiled by our state CTE teachers and shared through our state listserv options. Please contact Kelli via email at cypertk@aresc.k12.ar.us if you have additional AMI needs for your specific classroom or program area, or if you need assistance in accessing the CTE Google folders.

Partner Resources

ADE has partnered with Virtual Arkansas to engage and provide continued learning for 9-12 high school students. Additionally, PBS is partnering with WORLD Channel on a content block for children in grades 6-12, which will be made available from 11 a.m.-4 p.m. Monday-Friday beginning Monday, March 30. Find out how to watch WORLD Channel at myarkansaspbs.org/channelinformation. For details, and answers to many questions, see the FAQs document below.
